STATE AIRPORTS SYSTEM PLAN

REGIONAL PUBLIC WORKSHOPS

COME HELP SHAPE THE ARIZONA AVIATION SYSTEM

The Arizona Department of Transportation (ADOT) Aeronautics Division initiated a comprehensive State Airports System Plan (SASP) in February 2008. The SASP is intended to provide a framework for the integrated planning, operation and development of the State of Arizona's aviation assets. Your input on aviation needs and issues throughout Arizona is needed. ***Attend one of the six regional public workshops to learn about the plan and provide your thoughts.***
